Greetings and happy New Year from the clubs Board of Directors and Officers,

As you may remember, club memberships expire in December of each year. Membership renewals must be received by the club no later than February of each year to continue membership, and obtain the new gate combinations.

You are receiving this notice because the club does not have an email address on file for you. Please fill out the attached membership renewal form and return to the club via the Postal Service, or you may attend the February club meeting (Feb 3, 2017) to personally return the form. Please be sure to include a check for your annual membership dues.

We look forward to your continued membership, and an exciting year for the club.

For the board and Officers
