Old/New Business: generator needs servicing, building needs to be winterized, the trash that has been dropped off on the club

property needs to be cleaned up, the main gate needs to be fixed due to someone putting a heavy chain and a lock that doesn't belong with different numbers.

Lou ordered a new NYCRGC banner and is looking into purchasing shirts with our emblem. The new membership cards have been ordered. Clinton ordered new signs for the range. If a storm on the night of the monthly meeting, it will be held on the following Friday. Looking at the map of the club to determine the correct boundaries. Installed new air filter and the gas is filled. The ice shack needs skids installed on it. All renewals need to have a renewal slip with the check. Lou purchased Christmas plates and napkins.

VOTE NO ON #1 was a success. The fight is NOT over though, the opponents are already starting campaigns to fight us again in the future. Their goal is to stop hunting all together...We can't let this happen!!!!

REMINDER...December voting takes place this Friday!!!

The **Christmas party will be held on Saturday, December 13th at 7:00pm at the Club.** There will be a YANKEE SWAP and the cost per gift is kept in the \$10.00 range. Rather than bringing gifts to be donated to children, non-perishable food are being requested instead for the local food pantries. Last year we actually had a tough time finding a place to donate the gifts.

REMEMBER TO RENEW BEFORE DECEMBER 31ST. The website is:

www.nycrgc.org

No password is needed and the site has a new renewal form that is easier to read.
