December, 2018

Greetings from the clubs Board of Directors and Officers

As you know, club memberships expire in December of each year. Membership renewals must be received by the club no later than February 15, 2019 to continue membership, and obtain the new gate combinations. These will be mailed out after the club receives your updated renewal. Anyone who has not sent a renewal by the above date will need to reapply for new membership.

Please fill out the attached membership renewal form and return to the club via the Postal Service, or you may attend the February club meeting (2-1-19) to personally return the form. Please be sure to include a check for your annual membership dues.

Club Bylaws will be reviewed and updated in March, 2019. Any suggestions will be appreciated.

We also need another Board Member cause we are suppose to have 5 and we only have 4. If anybody is interested in becoming a Board Member please contact Lou.

We look forward to your continued membership, and an exciting year for the club.
