December, 2019

Greetings from the Clubs Board of Directors and Officers

As you know, club memberships expire the 1st of January each year. Membership renewals must be received by the club no later than February 15, 2020 to continue your membership, and obtain the new gate combinations. These will be mailed out after the club receives your updated renewal forms.

Anyone who has not sent a renewal by the above date will need to reapply for new membership. Please fill out the enclosed membership renewal form and return to the club via the Postal Services, or attend the February club meeting (2-7-20) to personally return the form. Please be sure to include a check for your annual membership dues.

We need volunteers to become Board Members because we are suppose to have 5 and we only have 3. If anybody in interested in becoming a Board Member, please contact Lou at 793-8556.

Club Bylaws were reviewed and updated at the December, 2019 meeting. Several changes were made to the Club Bylaws. One of the changes is an increase in membership dues. **Individual membership is now \$70.00 per year, and family membership is now \$90.00 per year.** This increase was made due to the lack of participation in club activities by the majority of members. Information to reduce your increased membership is available at your clubs meetings.

We look forward to our continued membership and an exciting year for the club.
