	<p>There has been a problem with our neighbor. He wants to shut us down and has been sending threatening letters. He owns swamp land near the club and is trying to build nearby. We have action against him and he should not be bothering us.</p> <p>We voted in new members: Frank Zappala and David and William Tabor. We are working on updating our membership list to include all the new members this year. People are ruining the target stands that were made. Please be careful not to shoot the wooden stands. Our liability insurance is going up \$26.</p> <p>The NRA thanks us for joining again this year. We are life members.</p> <p>Lou spoke to the fire department about a bonfire to burn some wood that we have accumulated. They asked if we could do it on a Tuesday, as that is their training day.
