

November 03, 2023, NYCRGC Board of Directors Meeting

***Meeting called to order at 6:40 PM.**

Board Attendees: Ray Hill, Todd Corriveau, Bruce Ballard, John Pratt

Absent: Bruce Hill

Old Business:

1. We have not yet received our membership to the Gun Owners of Maine (GOM). The Club has submitted an application membership, but we have not heard back from the GOM. Follow up is required.
2. The Fall Festival at Woodman's Corner in East Wakefield, NH was held on Saturday, October 14 from 11am to 4pm. The Club BB shoot for kids was held in conjunction with this event. It was a success for the club and worthwhile to continue having a presence at this Festival. The Club had a drawing for a bb gun which was given to the lucky child whose name was drawn.
3. The Club held an inaugural turkey shoot at the club range on Sunday, Oct 22 at 11:00 am. Things went well considering this was the first event of this type in a long time. There were some lessons learned, but everyone enjoyed the gathering, and we will work to smooth out the bumps as we progress. We hope to have another shoot this year in December if the weather is favorable.
4. A motion was passed by the general members in attendance to accept the Policy for 3rd party use of the club house and/or club ranges. There were no objections to the Motion made by the Club Officers, Club Board members or general members, therefore the Motion carries and the new Policy was approved.
5. A motion was passed by the general members in attendance to amend the Club By-Laws to include the new Policy for 3rd party use of the clubhouse and/or facilities. The new Policy will be added to the Club's By-Laws.
6. The water has been shut off in the club house which means the bathroom toilet and facet, as well the kitchen facets are not functional. This was done as part of the annual winter maintenance to prevent the water lines from freezing during the wintry weather. Thank you, Ray Hill, for getting this done.
7. Nominations for Club Officers and the Board of Directors were held at tonight's Monthly (Nov) club meeting.
8. A new combination lock was purchased and installed on the front gate. Thank you, Todd Corriveau, for getting this done.

New Business:

1. Voting on the people nominated for the 2024 Club Officers and Board Members will be at the December Club meeting on December 01.

****The board meeting was adjourned at 7:10 pm.**
