

Hi all,

Due to the generator failure last Friday, we were graciously hosted by the Free Mason's club in W. Newfield and didn't hold a typical, formal meeting, outside of the BOD meeting. One topic we did discuss was the preliminary plans for a commemorative celebration of our club's anniversary! Please find those and the BOD minutes attached.

Reminders:

- We have four gun raffles going on throughout the year, please reach out if you're interested in some tickets. We will be selling them at all our events!
- Our annual ice fishing derby is *this* Saturday 2/15/25, from 7am to 3pm at the Rock Haven Lake boat launch. Please swing by to make sure I'm not frozen on my chair at the table! 😊

Please be patient with us regarding the new gate code cards. There was a mix up with the printer service and we're connecting with the vendor for the necessary corrections. **Be warm and stay safe!**

Respectfully,  
Shanda
